

Product Ziro [100% Silicone Fabric]

General Maintenance

While Ziro is inherently stain resistant, it is important to keep it clean at all times to maintain the original look and feel. Spot cleaning with a clean, soft towel with clean water will remove most of the everyday stains.

Cleaning Code: W/S, Bleach [4:1], Dry Care™

Disinfection

This product can be disinfected with a 10:1 bleach dilution of water/bleach. Allow the mixture to linger for the time specified by the Center for Disease Control and Prevention.

Rinse all cleaning agents thoroughly with water and wipe with a soft cloth

Residue left by cleaning agents will degrade and shorten the life and/or affect the product's appearance if not removed.
